Dear Ms Lee,

Thank you for your assistance in sending us a copy of the title, publication and copyright data for the French publication "Elements de Cryptographie" by Capitaine Baudouin. This is evidently a rare volume not readily available in local collections. Having access to the information through your prompt response is very much appreciated.

I am enclosing a copy of SRH-185 (NARS Record Group 457), "War Experience of Alfred McCormack" for your Freidman collection. Please advise Mr. John Jacob that you have received it.

Sincerely,

CHARLES R. WARE
